

*THE SNAP-ON® APOLLO-D8 GUIDES
YOU TO ANSWERS.*

*WHICH LEADS TO SOMETHING ELSE:
CONFIDENCE*

Now you don't have to be a master tech to perform like one. The Snap-on APOLLO-D8 gives you the advantages that build your skills as well as your confidence.

INTELLIGENT DIAGNOSTICS
LIVE ON **APOLLO-D8™**

HERE'S HOW APOLLO-D8 WILL GIVE YOU THE CONFIDENCE TO GET THE JOB DONE FIRST TIME AND FAST

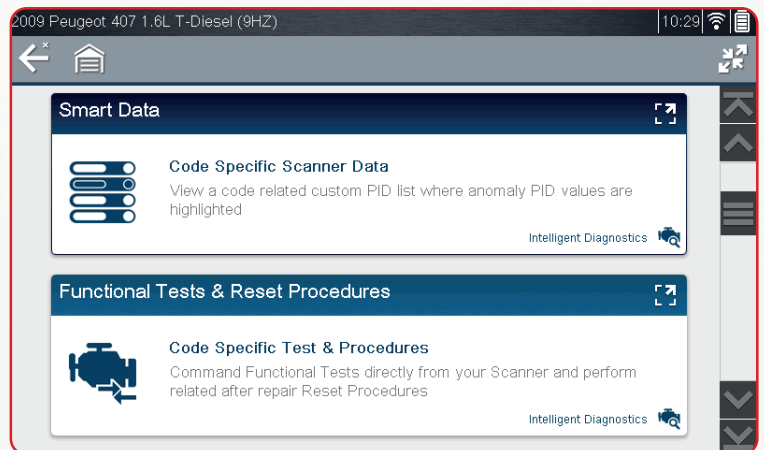

INTELLIGENT DIAGNOSTICS MAKES THE SNAP-ON APOLLO-D8 THE INTELLIGENT CHOICE.

Now you don't need the most high-end tool to get high-end advantages and features. Intelligent Diagnostics software makes the Snap-on APOLLO-D8 the most intuitive, versatile diagnostic tool the industry has ever seen.

QUICK ACCESS TO FUNCTIONAL TESTS AND RESETS.

The Snap-on APOLLO-D8 puts functional tests and resets to verify component operation right at your fingertips. Easy-to-follow reset procedures that help you complete the repair.

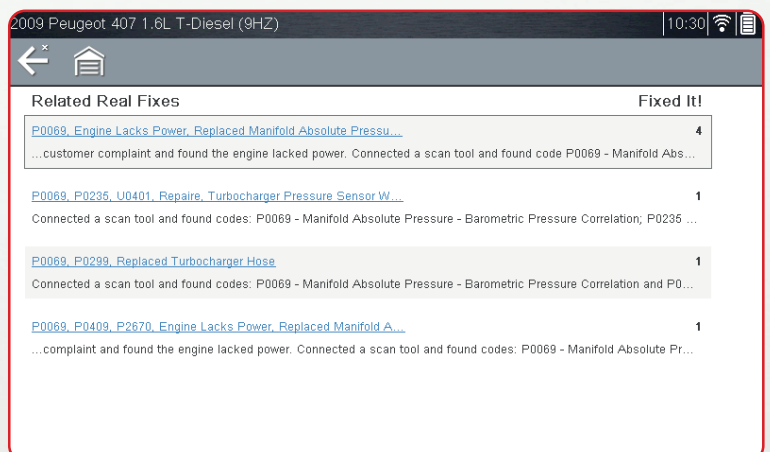

All the functions and repair tips you need to diagnose that vehicle and that code are right at your fingertips – including Smart Data and functional tests.

SURETRACK™ PROVIDES EVEN MORE CONFIDENCE.

The exclusive 2019 Queen's Award-winning innovation from Snap-on gives you Top Repairs and Real Fixes for the specific vehicle and DTC. The knowledge and verification come straight from thousands of expert technicians who've already solved the same problem.

SureTrack™ gives you the added assurance of multiple verifications for the correct fix.

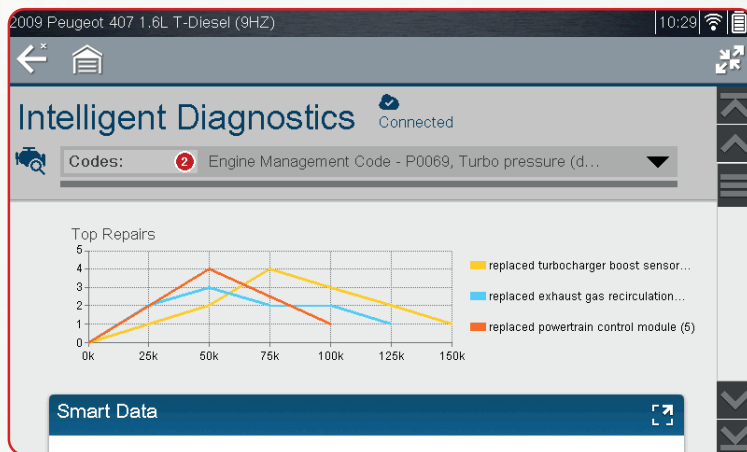

TO FIND OUT WHAT CAN MEAN FOR YOU, T

SAVE TIME BY ELIMINATING UNNECESSARY STEPS.

The Snap-on APOLLO-D8 gets you to the answers faster by guiding you straight to the problem. With no wasted steps or guesswork. And that equals greater productivity, day in and day out.

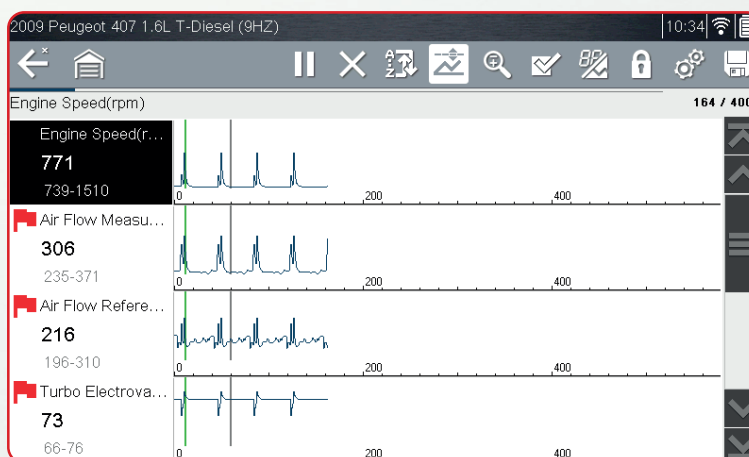

One touch gets you to a repair graph, instantly listing any available top repairs and real fixes for that vehicle.

SMART DATA MAKES IT EVEN SMARTER.

Its Smart Data feature automatically configures the display to show vehicle parameters (PIDs) relevant to the fault code. And it saves you even more time by filtering out non-related data parameters.

Smart Data highlights vehicle data that is out of expected range.

SPEND YOUR TIME FIXING, NOT SEARCHING.

Although its features are advanced, the Snap-on APOLLO-D8 is intuitive to operate and simple to learn. It has a built-in demo that guides you step-by-step through its main features. So you don't have to be a diagnostic expert to master it.

THE ADVANCED TOOL FOR ALL.

The Snap-on APOLLO-D8 offers features and advantages that used to be limited to more expensive diagnostic tools. But now Intelligent Diagnostics puts it all within your reach.

INTELLIGENT DIAGNOSTICS LIVE ON THE SNAP-ON APOLLO-D8
ALK TO YOUR FRANCHISEE OR OTHER SALES REPRESENTATIVE.

WHAT MAKES INTELLIGENT DIAGNOSTICS SO SMART?

SMART HOME PAGE:

All the information needed is on one scrolling, easy-to-navigate screen.

SMART DATA:

You'll get information on the specific fault codes for the specific car you're working on.

SURETRACK:

SureTrack™ provides real fixes from real technicians who've successfully solved the specific problem you're dealing with.

FUNCTIONAL TESTS AND RESETS:

Easy-to-follow reset procedures that help you complete the repair.

Accessing all the Intelligent Diagnostics functions requires an applicable software agreement, which more than pays for itself through its depth of information and time savings.
